Rick Gillis brings fresh new programming to talk radio. There is already plenty of political, financial and sports talk. Let's talk about you! Your job - Your aspirations - Your success! Let's talk about issues that matter to you and your family right now!

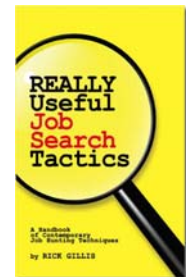

Employment Radio with Rick Gillis says it all:
Talk radio that reaches all demographics.
Talk radio that informs, enriches and educates.
Talk radio that encourages meaningful audience interaction.

Rick Gillis will feature expert and nationally recognized guests to discuss such topics as:

- | | |
|------------------------------|--------------------------------|

| Trade-Secrets & Non-Competes | Executive Employment |
| Pre-Employment Assessments | Online Job Boards |

Rick Gillis has been involved in the business of employment since 1997 when he was instrumental in introducing the first local employment website to the greater Houston market.

Over the past several years, Rick has aggressively studied the "practice" of job seeking from the perspective of both the employer *and* employee. It is based on these observations that he has written [REALLY Useful Job Search Tactics - A Handbook of Contemporary Job Hunting Techniques](#) available at Amazon.com.

Rick has been involved in or has intimate knowledge of many aspects of the employment business to include effective resume development--especially his original concept of the Pre-Resume™--recruitment advertising, employment assessments, applicant tracking software, resume filtering systems and, of course, Internet job boards and email protocols. Rick is a high-energy motivational speaker who regularly speaks to job seeking groups across the country.
